MEMBERSHIP ELIGIBILITY
To be Retained by the Applicant

A Member :

Member shall be a person enrolled by the council on application and is a scientists, engineer, a teacher, an executive, or writer in technical or executive field, professional involved or connected with non destructive Testing. He should be at least 21 years of age and there is no upper age limit for this membership. This membership is an annual membership and shall be entitle to voting and other rights and privileges of the society including the right to hold the elective post.

B Life Member :

Life Member shall be a person enrolled by the council on application and is a scientists, engineer, a teacher, an executive, or writer in technical or executive field, professional involved or connected with non destructive Testing. He should be at least 21 years of age and is active in the field of NDT. To become the Life member, the person should be in the field of NDT for minimum period of two years . This membership is Life time membership and shall be entitle to voting and other rights and privileges of the society including the right to hold the elective post.

C Associate Member :

Any Indian person, enrolled by the council on application, from any engineering or non engineering field who wish to be associated with ISNT. He may or may not have NDT qualification or he may or may not be directly involved in NDT . Such person should be at least 21 years of age. There will be no upper age limit for this membership. This membership is strictly an annual membership. Associate member shall be entitle to voting and other rights and privileges of the society except to the right to hold the elective post.

D Student Member :

Student member shall be a person enrolled by the council and is between 18 to 21 years of age and is registered as student of physical science, engineering or an allied field in a recognized educational institute. After the age of 21 years he will be eligible to become either an Associate Member or Member or Life member as per his choice and on fulfillment of requirements of the particular membership of the society. Student member shall not have right to vote and shall not be eligible to hold an elective post of the society.

E Life Corporate Member :

Life Corporate Member shall be an industrial undertaking, government department, an institution or recognized statutory body interested to promote objectives of the society and shall be enrolled by the council on application. This membership shall remain valid for a period of 25 years. The enrolled organisation shall have right to nominate two employees as representative to enjoy rights and privileges of the society except the right to hold the elective post.

F Corporate Member :

Corporate member shall be an industrial undertaking, government department, an institution or recognized statutory body interested to promote objectives of the society and shall be enrolled by the council on application. This membership is an annual membership. The enrolled organisation shall have right to nominate two employees as representative to enjoy rights and privileges of the society except the right to hold the elective post.
